THE ROYAL SCHOOL, WOLVERHAMPTON

A PRODUCTIVE TERM IN THE ART DEPARTMENT - EXAM SEASON IS HERE!

It's been another short but busy term. The Year 11 and Year 13 students are nearing the end of their examination preparation period and are working hard to meet their May deadlines. They are proving themselves to be very focused and we are immensely proud of their success thus far and we look forward to viewing their work in the Summer examinations. Year 7 students are about to embark upon a Textiles unit of work using fabric and applique techniques. Year 8 students are about to start a mixed media hanging, introducing them to poly block printing and cardboard relief and construction techniques. we look forward to seeing how they adapt to such experimental ways of working.

MONICA GANGER - YEAR 9 EXCEPTIONAL WORK!

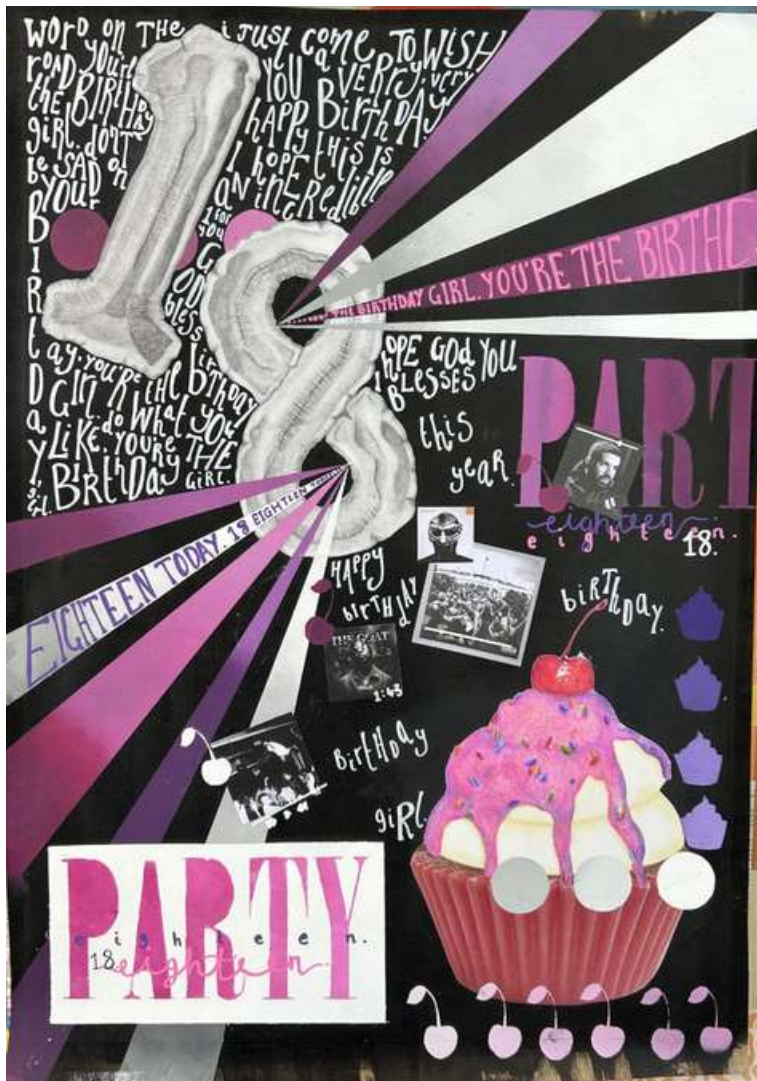

We love to share artwork produced by our students - this exceptional colour pencil drawing was produced by Monica Ganger in year 9 - what a successful piece of work!

The level of detail in this drawing just shows Monica's patience and dedication as we can only imagine the time and effort she has put into this. Congratulations Monica on an outstanding piece of work.

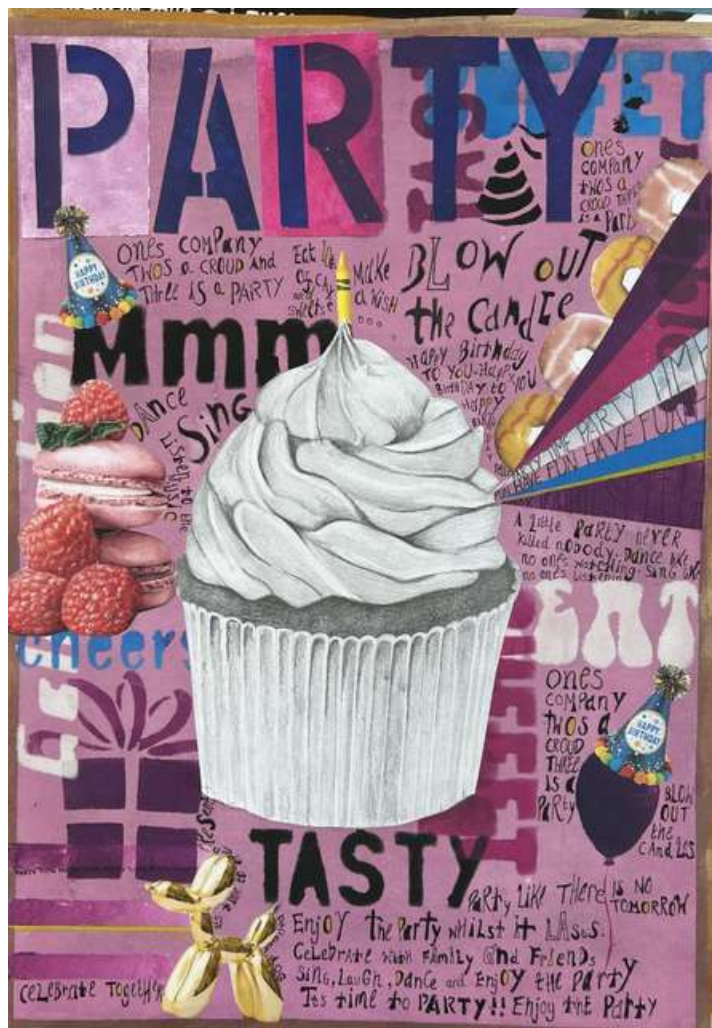

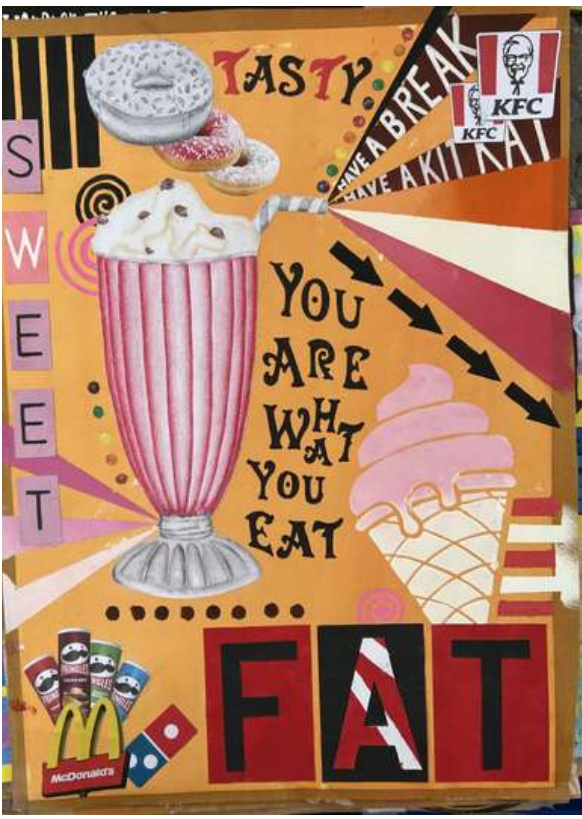

YEAR 10 MOCK EXAM WORK

Year 10 completed their mock Art exam in January, Art exams are sat across 2 full days and are an intense process. Students put a lot of effort into their exam pieces and prepared really well ensuring they were able to make the most of their 10 hours in exam conditions.

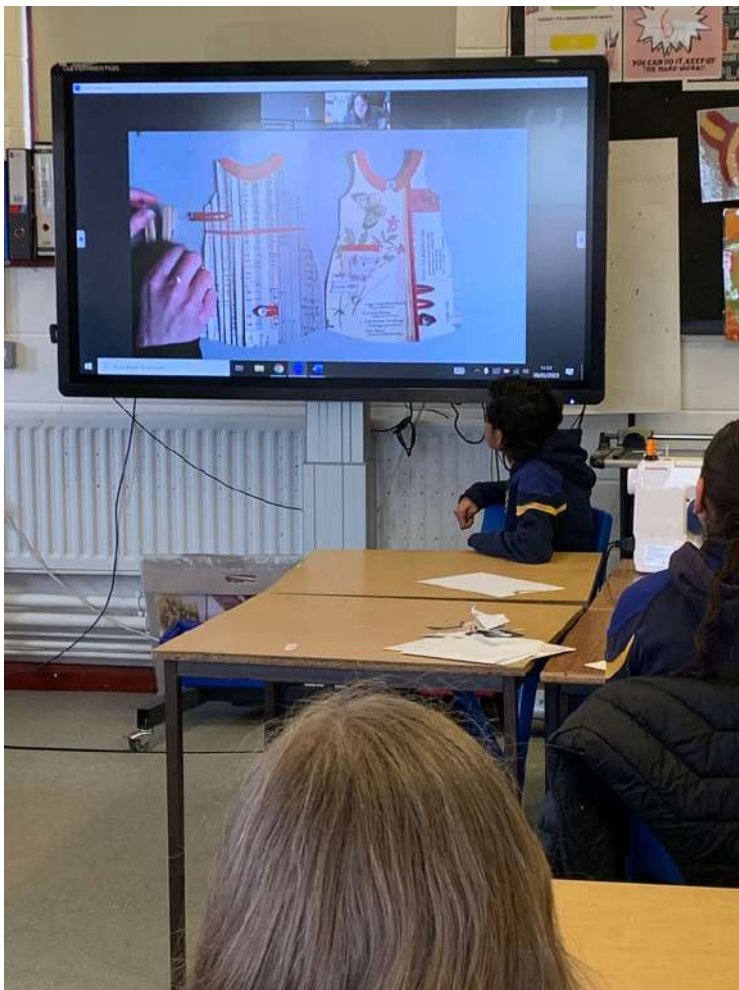

JENNIFER COLLIER - ARTIST WORKSHOP

Year 9 students took part in a workshop with practicing artist Jennifer Collier. The workshop was completed via zoom and students produced a dress using found papers and stitch - for some students this was the first time they'd experienced using a sewing machine!

Jennifer Collier is an artist we host regular workshops with and always seem to be enjoyable and successful - see some of the work produced below>
