

Friday 18th November 2022

We have been delighted to be able to welcome parents into the school for our first face-to-face parents' evening since the pandemic in 2020! We have always placed a high value on the relationship between home and school – it is key to the success of all children. There will be more to follow on Tuesday next week.

Around the school the signs are appearing that Christmas is on its way. Songs are being sung, lines learned, and the excitement is just beginning to creep in! Please do make sure that you have the dates relevant to you in your diary for the various Christmas celebrations we will be holding. It will be lovely to see you there.

At the same time, the children remain completely focused on their learning, as you would expect. It is always delightful to pop into the classrooms and see the progress they are making each day. I have regular visitors to my office for Head Teacher awards due to their outstanding work – always the highlight of the day for me!

Thank you all for supporting us in the Children in Need fundraiser today – hopefully we will be able to send a generous donation through to support the excellent charities they champion.

I trust that you all have a wonderful weekend.

## Important Notice

### Appointments during the school day

If your child needs to be collected during the school day due to a medical appointment, please notify reception in advance and provide a hospital/medical letter. We encourage parents to book **general** check-ups outside the school day or during the holidays. Hospital and emergency appointments which are taken within the school day need to be accompanied with a letter from the hospital/doctors/dentist.

### After School Clubs

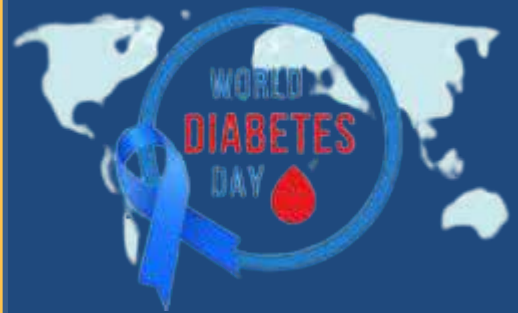

We have had a number of parents arriving at school to collect their child when they have previously booked them into a club.

If you do not wish your child to attend a club, we do require 24 hours' notice. We do not have the staff capacity at the end of the school day to locate children that have already been taken into a club.

Thank you for your support in this matter.

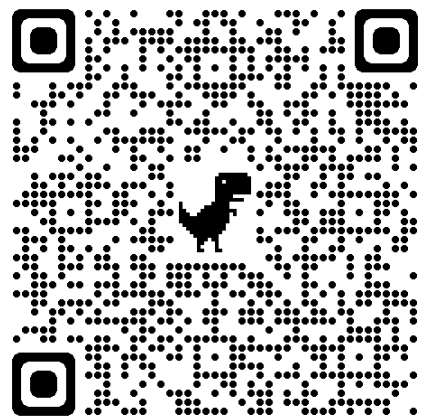

# ASSEMBLY

This week we thought about how to be respectful to people with hidden disabilities, focusing on diabetes as it was world diabetes day on Monday 14<sup>th</sup>. We learned about the signs and symptoms of Type 1 diabetes and how to help people who may be affected, as well as how to be considerate to all people... we just don't know what they are going through!

### Music Service Concert:

On Monday 14th November students from across the primary and senior school performed in the Music Service Sound Series concerts. Students from across Wolverhampton are chosen to perform by their music teacher. We are very pleased to have sent a variety of students to perform, including our year 6 singing group who were chosen by their teacher Mrs Nicholls. Well done to all of our performers!

Following our visit from Eva Abley, the Year 4 students were set the challenge of creating a poster for Eva to use at her fund raising ball later this year. There were three finalists for Eva to choose from: Ezra, Imogen and Ava. Eva and her team selected Imogen's poster as the winner. Her poster will be on display at the event and she has a signed copy of one of David Walliams' books. Well done to all who entered and congratulations to Imogen!
