

## Headlines

I can't quite believe we only have one more week of June left to go, hasn't it flown by quickly? We are looking forward to the first of our Sports Days on Wednesday, for Reception, Year 1, Year 2 and Year 3. Gates will open at 1pm with races beginning at 1:30pm. The PTA are kindly providing us with refreshments, so please take a look in the pavilion. All proceeds go directly back into school funds to help buy additional resources. Year's 4-6 Sports Day will take place the following week at Aldersley Stadium, a new and exciting adventure for us all.

We have a few exciting events happening over the next few weeks, including our annual graduation for the Children's University which takes place on the Tuesday 11<sup>th</sup> July, further details to be released. The graduation ceremony is a celebration of extra-curricular clubs participated by pupils inside and outside of school across the academic year. The positive impact of these clubs is evident in our pupil's resilience, confidence, and self-esteem, we are extremely proud of their efforts. We do hope you will be able to join us for this event in the school chapel.

Unfortunately, we are having a few issues with the exit gate on the primary car park. Due to this we are unable to allow any visitors or parents onto site. If you are dropping off a pupil after the gates have closed or need to attend any meetings or appointments, please park in either Lyndhurst Road or Claremont Road and then walk around to the Penn Road pedestrian gate where you will be able to speak to the reception desk for access. We are sorry for any inconvenience this may cause.

Finally, we say goodbye to Mrs Cooper who is leaving us to further her career as a teacher. We thank her for all her hard work and support during her time here and wish her all the very best for the future. Today is also Miss Buttery's last day as she leaves to have her baby. We wish Miss Buttery all the very best and look forward to meeting the new arrival soon.

Well done Reception completing your Drowning Prevention Week.

We rescued an animal, made sure it was ok and showed them how to float safely on the back.

We also managed a jump in!

Year 1 took part in Drowning Prevention Week.

We rescued an animal from the sea and made sure they were ok. Then we worked together on what beach flags mean, and how to stay safe.

Finally finishing with, floating to survive and a jump in.

Now the summer term has started, we would like to remind parents that the sun's rays are particularly strong over the summer period.

Therefore, please could we request that parents apply a high factor, waterproof sunscreen to their child before school to ensure they are protected during the day. The school does not supply sunscreen or apply it.

Please provide a sunhat for your child plain navy/black only (no bright colours or character logos)

Finally, please ensure that your child brings into school a bottle of water which can be topped up during the school day.

Thank you for your support in this matter.
