

The end of term maybe approaching but we are not slowing down, this week has been as busy as ever!

### **Reception Nativity: A Magical Delight!**

Our little stars in the Reception classes have been shining brightly in their enchanting nativity play. The joy, laughter, and sheer delight on their faces filled the room, making it a truly magical experience for everyone involved. A big thank you to our hard working and dedicated teachers and, of course, our proud parents who joined us to celebrate this special occasion.

### **Year 2 Carol Concert**

Yesterday Year 2 pupils sang their heart out to a huge congregation of family and friends of the school in the Chapel. We are very proud of them all as they performed so confidently when re-telling the nativity story and singing their songs. Our hearts were full of joy and the Christmas Spirit. Please join us for more carols by candlelight in the school chapel at 6pm on Sunday for the Advent Service of light, all welcome.

### **First E-Safety Workshop - A Step Towards Digital Wellness**

In our ever-evolving digital world, ensuring the safety of our pupils online is of utmost importance. Thank you to those parents that attended our first E-Safety Workshop. The interactive session provided valuable insights into navigating the digital landscape safely. We hope this will be the first of many sessions, so please look out for our next session in the Spring Term.

*"A huge thank you for this powerful workshop on online safety, that made all parents attending aware of the dangers of the online world. I would highly recommend this workshop to all parents / carers and the children too."*

### **Anticipation Builds for the PTA Christmas Fayre Tonight!**

The highlight of the season is finally here! Our PTA Christmas Fayre promises an evening filled with festive cheer, delightful stalls, and a chance to come together as a community. From homemade treats to handcrafted gifts, there's something for everyone. We encourage all parents and families to join us for this merry celebration tonight.

Don't forget it is Christmas Jumper Day on the last day of term. All pupils may wear their own clothes along with the Christmas jumper, the more festive the merrier. Please don't forget to make your donations to our charity on the School Gateway.

Have a wonderful weekend.

Mrs Kathy Jefferson  
Primary Head Teacher

# THANK YOU

A massive thank you goes to our very generous parents/carers and staff who raised £493 for Children in Need, well done.

# ASSEMBLY

This week in our school assembly, we delved into the rich cultural tapestry of our community by exploring the festival of Hannukah.

Hanukkah or Chanukah is the Jewish festival of light.

It was a beautiful and enlightening experience as we learned about the significance of this celebration.

## Year 5-6 Netball v Elston Hall

On Monday 4<sup>th</sup> December, Year 5 and 6 netball teams played a match against Elston Hall. We won 6-4. It was a very close match with all players playing really well, especially in defence. Well done to our Year 8 umpires who showed excellent leadership!

Players of the match:

Milan C  
Anniyah T  
Ruby S

We are looking forward to our first league match next week on Monday 11<sup>th</sup> December!

Year 4 were discussing the meaning of Christmas in class today. Sienna 4LD "Christmas isn't about the presents its about family; some people don't get presents but what they do have is love".

Avia 4LD for her amazing homework project

Charlie, Tyesha, Aarez & Tiffany 3RC came to visit Mrs Jefferson with their beautiful creative poetry. Well done 3RC

Renee 5RK, Hargun & Layla 4LD & were awarded trophies through our after-school Karate club. Hargun for best attendance Layla for most improved and Renee for student of the year. Congratulations!

Of course, a consequence of this approach is the presence of the sort of age-inappropriate material one might not expect to find on the platform, given Disney's fabled status as a purveyor of family entertainment. There's useful advice in avoiding this pitfall (and more besides) in this week's guide, as Disney+ comes under the microscope.

### Food Parcel Offer

Thanks to generous donations, we are once again able to offer food parcels to any of our families who are in need of additional support.

These parcels will be available to collect from our Primary School Reception next week on Wednesday 13th and Thursday 14th December between 8:00 am and 4:00 pm only.

If you would like to collect a parcel, please register on the very short form via the link below:

## Crime Prevention

During the winter months, as the nights draw in and people change their behaviour due to the weather and the festive season, we often see criminals try and take advantage.

So, here's our guide of helpful advice and tips to try and prevent you from becoming a victim of crime.

This information – and more – can be found on our website: [www.west-midlands.police.uk](http://www.west-midlands.police.uk) and for latest alerts follow us on Facebook or X (formerly known as Twitter). You'll find accounts for West Midlands Police as well as your local teams, here at Wolverhampton Police.

## Vehicle Crime

Thieves are opportunists, looking for an easy way to steal items of value from an unlocked or unattended vehicle. This could be cash left on display, a sat nav from the glovebox, a mobile phone from the dashboard or perhaps tools kept overnight in a work van.

Every year, vehicles are stolen from driveways and outside homes when owners leave them to warm up with the key in the ignition. Do not do this.

Car thieves watch the weather forecast too and will be out early in the morning on the lookout for vehicles left unattended.

High value vehicles are often targeted in this way as their advanced security technology makes them difficult to steal unless they already have the engine

running and the key in the ignition.

- Stay with your vehicle and if you're in a rush, use de-icing spray and a scraper to speed up the process.
- Sit inside your vehicle while the heater de-mists the windscreen.
- Your insurance may not pay out if you are in any way deemed responsible for the theft.

If you would like to read more advice, or if you need to report something being stolen from a vehicle, visit our dedicated vehicle crime website: <https://www.west-midlands.police.uk/stealer-street/>

Important Safeguarding Matter

It has recently come to our attention that there has been a report regarding the gate at Claremont Road being propped open with a brick. This incident is a serious breach of our safeguarding protocols, and we want to emphasise the critical importance of maintaining a secure environment for everyone in our school.

Propping open the gate using a brick not only breaches our security procedures but also opens the door to unauthorised individuals entering the premises. This compromises the safety and well-being of everyone within the school community.

We kindly request that all members of the school community remain vigilant and promptly report any concerns or observations related to school security. If you notice anything unusual or witness any attempt to compromise the safety of the school, please report it immediately to the school office.
