Windsor celebrating & commemorating VE Day

VE Day

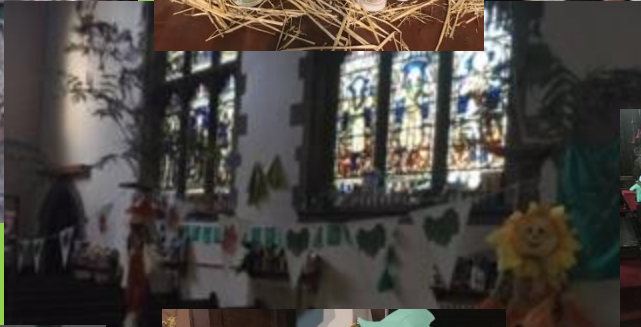

The Royal Party

09.05.1945

On the 8th of May 2020 there were large crowds gathering in London's West End where the people cheered Winston Churchill and the Royal Family. Churchill was then driven to Buckingham Palace to have a meal (lunch) with the King and then broadcast his victory speech at 3pm. In the evening, he appeared on the balcony with the Queen and the King accompanied by Princess Elizabeth and Princess Margaret. Churchill then returned to Whitehall and appeared on the balcony of the Ministry of Health with great crowds following his travel around the capital (London). At 9pm King George VI addressed the nation and the Royal Family returned to Buckingham Palace's balcony (this was their last appearance that day).

Poppy Appeal Run – The Cresswells

Special Commemorative Medal awarded to Oliver Cresswell for raising over £100

Over the past 3 weeks The Cresswell family have been running to raise money for The Royal British Legion Poppy Appeal. The original aim was to run together a total of 20KM and raise £100.

All targets exceeded.... Running 90KM with all family members participating... Oliver and his dad ran a whopping 60KM in 3 weeks, which was also in addition to Oliver's normal training!!! Go Oliver!! Funds raised have exceed £145 and are still coming in. Oliver has been highly motivated to step up to the challenge and hugely supportive and gave encouragement to the other children particularly the youngest Stanley who is in Year 1 at The Royal. He demonstrated and taught appropriate warm up and cool down drills for them and was ready with positive words to keep them going!

I am sure you will agree that this is a great achievement and for such a worthy cause.
