The Royal School is seeking a highly motivated and innovative Assistant Head of Primary School to join the trust from September 2024.

Teaching at The Royal School provides an exciting opportunity to join a culture of high expectations and aspirations, expressed through our curriculum practise and a unique ethos. This is probably why we are highly oversubscribed at every entry point. The successful candidate will join a team of outstanding leaders and practitioners and be at the forefront of developing educational approaches across the city.

The Royal School Wolverhampton Trust is ambitious for the families and young people within the city, and you will play a role in further developing the Trust. You will be joining a supportive and caring team which aspires to develop the leaders of tomorrow and provide the best opportunities for professional growth. You will be leading a culture that is committed to the development of 'character'... enabling all children to make the best progress in their academic, sporting, musical and aesthetic experience.

You will be passionate about continuing to further grow our expectations of high performance and outstanding pastoral care. If you would like to contribute to our school, then we would love to hear from you.

The Royal School is at an exciting time of development. The free school is an all-through (Reception to Y13) 'independent' school without day fees whilst still providing excellent boarding at affordable fees. Alongside the growth in pupil numbers, there will be an expansion in the curriculum, enrichment activities and improved facilities, enabling us to extend and enhance still further the range of opportunities for all our young people.

The Royal School has achieved excellent academic results throughout its history and has an outstanding reputation for nurturing and developing confident, well-disciplined and successful individuals who progress successfully to the next stage of their life and career. We relish this next phase in its existence, which enables us to review and build on our current success in preparing our young people for a rapidly evolving world. We hope that you will share in this passion for a broader educational opportunity.

The Royal School offers significant benefits for its staff:

- Two additional weeks holiday compared to many schools (one week prior to Christmas, one week early in the summer)
- Free breakfast, lunch and evening meals
- Free tea and coffee provided
- Staff laptop
- Cycle to work scheme
- Access to NPQ programmes
- Opportunities for you and your family to attend boarding activities e.g. parties, Alton Towers, visits to cities and museums.

Please, visit The Royal School website for further information and details of how to apply and we welcome personal visits to the school to see for yourself this vibrant, heavily oversubscribed school community.
