The Royal Primary Newsletter

It has been another eventful week at our school! Year 4 enjoyed a visit from the Fire Brigade, where they participated in the 'Fire Sparks' programme focusing on enhancing children's awareness of fire safety at home.

We are delighted to see families making use of the lending libraries and the school library, which are accessible to classes on a weekly basis. If you have any photos of your children enjoying a good book over the bank holiday, please share them with us at nb@theroyal.school. We would love to feature them in our newsletter next week.

As we prepare for new outdoor play area initiatives starting in September, we are in need of additional equipment. In this week's newsletter, you will find a list of items that we are seeking as donations. If you have any of these items to spare, please kindly drop them off at our primary reception. Your support in this matter is greatly appreciated.

With the arrival of better weather, it is time to mark your calendars for the upcoming sports day events. This year, Reception to Year 2 Sports Day will be held on Wednesday, 19th June, followed by Year 3 to Year 6 Sports Day on Wednesday, 3rd July. Both events will take place in the afternoon on the school field. Keep an eye out for further details on timings, which will be sent out in the coming weeks.

Have a great weekend.

Sporting Fixture

U11 Cricket

We had our first cricket match of the season this week. With a team of U11 pupils putting the leather on willow on the primary pitch. For some this was a first hardball match!

A talented team from Hallfield tested us with both bat and ball.

All the pupils played exceptionally well, Captained by Aryan.

We bowled well, but Hallfield accumulated 85 runs off of 18 overs, which left Royal a reasonable total to chase. Unfortunately, The Royal were intimidated by the pace of some powerful Hallfield bowlers and we lost too many wickets to compete.

Player of the match: Aryan for superb captaining, wicket keeping and batting.

A worthy mention must be made of Pritha, who is the first girl to play hard ball cricket for the primary school.
