Should you wish to contact the teachers at any time regarding your child, please follow our communication pathway:

- An informal conversation at dismissal should be the first port of call. Most issues can be satisfactorily resolved in this manner.
- If an in-person conversation cannot take place at that time, email primaryreception@theroyal.school to outline the issue of concern.
- Telephone 01902 349100 to arrange an appointment to see the class teacher or relevant member of staff.

Please direct any emails for class teachers to:

primaryreception@theroyal.school

We will endeavour to respond to your emails within 24 hours. However, on some occasions this may take a little longer.

If your child is unwell and cannot attend school, you must ring the school reception before 8:30am. Please do not email.

All general enquiries should be sent to: primaryreception@theroyal.school

Key points for September in Year 1

Drop off and collection

Before school your child will need to be dropped at the gates into school. From Year 1, parents do not accompany children up the paths. Parents are not permitted to enter the playground or walk across the playground to

access the school reception. If you would like to speak to a member of staff, you must go round to the main school reception. Please do not cut through the Early Years' playground or leave messages with Early Years' staff, which may not be passed on until later in the day. After school, your child can be collected from the **old reception classrooms**. This is the same location that your child was collected from in reception.

Sport Timetable

Swimming – **Thursday** children to wear their P.E. kits to school and bring swimming kit in drawstring bag

P.E. – **Wednesday** (wear P.E. kit to school)

Unless requested otherwise, your child only needs their P.E. kit and swimming kit on the specified days.

If you have any queries regarding physical education, please contact primaryreception@theroyal.school

Spare Clothes!

Accidents do happen, so please ensure that your child has spare named pants and uniform to keep in school.

Curriculum

What is it like to be a learner in Year 1 at The Royal?

Learning in Year 1 at The Royal is full of exciting exploration, discovery, and achievement. We believe that children have a right to expect a learning environment, which is appropriate to their stage of development. Research and our own school experience tells us that young children learn best through play and exploration which is why initially we develop the Continuous Provision based approach they are already familiar with from Reception.

Every day our children get the opportunity to become artists, writers, mathematicians, scientists, designers, storytellers, athletes and much, much more! We believe that the EYFS Characteristics of Effective Learning (CoEL) are fundamental to ALL children. It does not stop when our children reach Key Stage 1 (KS1), we ensure it continues and develops, so that our children become confident, independent, motivated, and critical thinkers.

At The Royal, we aim to make learning exciting and meaningful by exploring a variety of subjects, including History, Geography, Science, Computing, PSHE, Art, Design & Technology, and RE.

How the EYFS curriculum converts to the National Curriculum in Year 1

How can I help my child at home?

Through our vibrant and dynamic curriculum, we aim to inspire the children to become self-motivated learners, to enable them to reach their full potential. Learning is not just about academic success and should not stop at the end of lessons or a school day and so family outings and personal interests are to be encouraged. We will give the children opportunities to share their interests and experiences with their peers. Ask them about their learning regularly and support them in their enthusiasm about our topics.

Homework

Each half-term, the children will be given a topic-based homework map and spellings which will be stuck in their yellow homework book. The homework map contains a number of projects covering different aspects of their focus topic. These tasks may be posters, writing, D&T/Art or research projects. They should complete one task per week, in whichever order they choose, and hand their homework book in every **Wednesday**. Please check that your child is completing their homework. If you need

another copy, please email your class teacher.

Reading

It is expected that children will read at least three times a week at home with their parents, although the more frequently you can read with them the better! We ask that parents sign the reading record book after they have heard their child read. Books will be exchanged only if your child can talk clearly and confidently about the book, and read fluently. Sitting down with your child for 5-10mins, asking questions about the text and discussing unfamiliar words will improve their comprehension greatly.

Phonics

We follow the FFT Programme for phonics which involves teaching synthetic phonics. We use phonics actions and alliteration alongside this scheme.

Your child will be taught phonics for 30 minutes daily. During the month of June, all children will take the phonics screening check which is a statutory reading check. The check is designed to assess if each child has reached the age-appropriate standard of reading/decoding by the end of Year 1.

Throughout Year 1, additional resources will be sent home alongside your child's home reading book to help support your child with their decoding and blending of words. These resources will also help prepare your child for the phonics screening check at the end of Year 1. Please note it is an expectation of parents, in accordance with the home-school agreement, to support your child with reading on a regular basis.

Rewards and Sanctions

The Royal Primary School's behaviour system is based on explicitly teaching positive learning behaviours and supporting pupils to reflect on their actions. It is rooted in our school values of Respect, Trust, Community, Initiative and Risk. We use the *Good to be Green* approach, with a clear visual system to promote positive choices and consistency across the school. Circle time and restorative conversations help pupils understand expectations and reflect on behaviour. When negative behaviours occur, age-appropriate restorative reflections and sanctions focus on repairing harm, understanding impact, and developing better strategies. The pathway includes clear rewards, sanctions, and parental involvement at each stage.

Reports and Parents Evening

Reports are shared at parents evening each term. The first two reports are interim reports with a full report at the end of the year.

There will be a parents' evening every term allowing you to be kept up to date with your child's progress.

Trips

School trips are not only fun but help bring the curriculum to life. They provide deeper subject learning and increase self-confidence. Research has shown that school trips can enhance teamwork, social skills, and helps pupils to develop risk awareness.

There will be at least one school trip or workshop within school each term and examples of previous experiences include:

- Pantomime Day
- Explorer Experience Day
- Black Country Museum
- VR Experience

On occasion parents may be asked to help supervise pupils on a trip so that we can adhere to the strict staff: pupil ratios.

Volunteers - If any parents could spare some time to help hear readers at school, please let their teacher know or email the Year 1 Lead via primaryreception@theroyal.school . This would involve completing a DBS check by the school and signing a confidentiality form.

Improving ATTENDANCE

At The Royal School Wolverhampton Mrs. Dhanda is the Primary Attendance Officer. You will see her out on the gates in the morning and in the reception foyer after 8:30am. If your child is late then they must be brought to Primary reception by a grown up. Miss. Vlckova is the Senior Attendance Officer.

When a child is absent from school, they can miss out on these vital opportunities and their learning, personal development and friendships may suffer.

Absence from School			
Children are required to attend school for 180 days each year at The Royal.			
Attendance during one school year	Equals days absent	Equates to weekly absence	Equates to number of lessons missed
95%	9	1.8	54
90%	18	3.6	108
85%	27	5.4	162
80%	36	7.2	216

Medical Appointments

- If your child has a medical appointment please send into school proof of appointment.
- School requires at least 48 hours notice prior to any appointments.
- If your child is unwell you can inform us by sending a message through School Gateway by 8.25am each day.
- Routine dental checks need to be arranged after school or during school holidays.

Emergency appointments only.

**ATTENDANCE
MATTERS**
All day, every day

Attendance Policy

Any absence that is not authorised by the school is a reason for concern.

Term Dates

At The Royal School you can find our school term dates on our website. When booking holidays please refer to these dates to avoid a fine.

Leave of Absence

If you require time off during term time you will need to complete a Leave of Absence Form at least 2 weeks prior to any leave.
