Important Note

Provisional Short Course Calendar (Sept 1 – Dec 31): Dates are subject to change, but all events have been strategically selected to align with our training cycles and maximize peak performance.

Exams

We will work and accomdate any swimmer taking exams during the SC season

Arena League / Team Competitions

Not only do we support but we encourage swimmers to take part in Arena League with their home clubs. For all other league/team competitions please check with your Lead Coach first. We will do our best to always support them and will only advise against it if we genuinely believe it may affect a swimmer achieving their season goals.

Club Champs

While we understand the sentimental value in competing at Home Club Champs we ask that you always check with your Lead Coach before entering them. We will support them when we can but Club Champs are often poorly placed in the competition calendar and if we genuinely believe that competing will be detrimental to swimmers achieving their season goals then we will advise against it.

County Championships

Swimmers will need to enter this competition with their Home Club and request that they attend as part of their team.
